Dear ABJ MILANO, LLC,

We received your request to research the transactions and determined they were unauthorized. We may reverse the credit if we receive information that your transactions were authorized.

We credited your account for the amount of the transaction(s). If you haven't already, we recommend closing this account.

If your refund earns interest, you'll receive it as a part of your regular interest payment or as a separate credit plus any applicable fees.

We recommend setting up alerts on www.chase.com to protect against fraud. If closing your account is not an option, please contact your local branch or assigned banker to discuss other options available to you to help prevent unauthorized transactions.

If you have questions, please call us anytime at 1-866-564-2262.

Sincerely,

Customer Claims Department
